Praise the Lord!

Hope turned 1 on Nov. 3rd and had TWO parties! "She" will share more about that and next time.

Our life these days is simple, but full. We have completed our training and received the green card. So, only one task remains for our stay in the US—completing our team of monthly financial partners. To do that, we are meeting individually with people to share our vision and ministry. We also share at churches, either on Sunday mornings or in smaller meetings, such as a Bible study. (The photo on the envelope shows us at my Mom's church in Arizona)

An idea which blessed many people in our presentations is "spiritual multiplication". This idea comes from 2 Timothy 2:2, "And the things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others." This is different from JUST sharing the gospel message, which would be known as spiritual addition. The difference is that the goal is to build into and encourage the new believer to a point where s/he also is sharing his/her faith with others and building them. You can see it graphically to the right.

Why is this exciting? It enables us to, in ONE generation, fulfill Christ's Great Commission in Matthew 28: 19, 20 where He tells us to share with ALL nations. One person multiplying themselves with 3 people each year can reach 6 billion in less than 21 years. In comparison, even with bringing 1,000 souls daily to Christ (without a vision to share with others) , it would take more than 16,000 years to reach the same 6 billion people. It is also exciting because it is something every believer can achieve with the help of the Holy Spirit. Who will you seek to multiple yourself with this next year? Please join us in helping to fulfill the Great Commission.
