# URGENT PRAYER NEED

May 2, 2007

Dear Partner,

We have been blessed to talk or visit with many of you during our time in the US. Thank you SOO much for supporting our work during this past year (or more).

We still need 40-80 more people to join our financial team of partners who are committed to supporting our work \$50-\$100 monthly. We desire to reach this goal by May 15 so we can get back to Nigeria.

Please pray God will enable us to reach this goal and therefore return to Nigeria. Also, let us know if there are people you know who might join our team.

In Christ, Bernard, Rawn and Pleasant-Hope (18 mos).
